

HORTONVILLE PUBLIC LIBRARY

INCLEMENT WEATHER POLICY

In the event of inclement weather, the Hortonville Public Library will use the following policy in regards to library closure.

The Hortonville Public Library strives to be a welcoming place for all members of the community. As such, the library will make every reasonable effort to remain open to our community as regularly scheduled. When adverse weather conditions occur, the Hortonville Public Library will assess the situation and base library closures on potential hazards to health and/or safety of our public and/or staff.

The decision to close or postpone the opening of the Hortonville Public Library will be at the discretion of the Library Director in conjunction with a Library Board representative after situational assessment.

In the event of early closure, the Hortonville Public Library will notify library patrons via social media, news broadcast stations, and the Hortonville Public Library website.
